CARGILL S.R.L.:

GALILEO PROJECT – project amount €.2.000.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Construction site assistant;

RIP & TIP – project amount €. 120.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Construction site assistant;

REPLACEMENT OF HYDROGENATION REACTORS €. 300.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

GLUCOSIARY COOLING TOWER REPLACEMENT €. 140.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

DEMI WATER TANK REPLACEMENT €. 300.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Construction site assistant;

EARTHQUAKE OF 2012 - BUILDINGS CONSOLIDATION €. 200.000,00

Activities: Design – Work Supervision - Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Construction site assistant;

SEISMIC IMPROVEMENT OF LESIONED BUILDING BY EARTHQUAKE OF 2012
project amount €. 2.600.000,00

Activities Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Work Supervision - Construction site assistant – Accounting

HEAT RECOVERY

project amount €. 320.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Work Supervision - Construction site assistant – Accounting

HACCP LIQUIDS

project amount €. 1.500.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Work Supervision - Construction site assistant – Accounting

ULTRAFILTRATION

project amount €. 250.000,00

Activities: Coordination during the design and the execution phase with the aim of temporary or mobile construction site safety D.Lgs. 81/08 and subsequent modifications.

Work Supervision - Construction site assistant – Accounting

IN.CI.CO Ferrara**TERNA ELECTRICAL STATION Comune di Candia (Ancona) €. 1.800.000,00**

Activities: Technical collaboration in quality of Work Supervision, Accounting, Construction site assistant and Coordination during the design and the execution phase during renovation works of TERNA Electrical Station in Comune di Candia (Ancona)

TERNA ELECTRICAL STATION Comune di Villanova (Pescara) €. 1.500.000,00Activities: Technical collaboration in quality of Work Supervision, Accounting
Coordination during the design and the execution phase during renovation works**EDIPOWER Power Plant in Comune di Somplago (Udine) €. 500.000,00**Activities: Technical collaboration in quality of Work Supervision, Accounting
Coordination during the design and the execution phase during renovation works**MOSSI & GHISOLFI/CHEMTEX Corpus Cristi TEXAS**

project amount €. 200.000.000,00

Activities: Field engineering, coordination of multidisciplinary teams and project engineering assisting. MTO

TCS (Termigas/CEM/Sitie) Doha QATAR project amount €. 200.000.000,00
